To Whom It May Concern,

This letter is in reference to Adam Kidd; owner and operator of 780 Kennels; which specializes in large breeds, aggressive, and rescue dogs.

We are pleased to have 780's help including; initial assessment, to rehabilitation goals, for 1-on-1 training with fosters/adopters, & boarding enrichment of our rescues.

Accurate temperament assessments help us understand their needs which is invaluable for proper home placement.

PBFL & 780 believe all our dogs have a forever home; including pets with more complex behaviour issues; just a matter of linking the right home with the right dog.

Understanding dog behaviour helps us set up our rescues for the success they deserve.

Adam has dedicated his life to dog care which is apparent in the leadership he shares within his own pack.

We recommend Adam to anyone looking for guidance with their dog training challenges as well as dog care in general.

If you have any questions regarding 780's training services, phone (780) 968-7757 or email [info@pitbullsforlife.com](mailto:info@pitbullsforlife.com)

Thank you,

Tia Lenz

President
